Ref: Follow-up to my letter dated November 19th

Dear Mr. Musgrave,

In the letter I sent to you, dated November 19th, 2012, I wrote:

"We may have record of a 'cost approval document,' in reference to the Falcon system. At this time, it unknown whether we do or not. We will search to determine whether or not we possess such a record. Our hope is to be able to respond on that point the week of December 3rd, 2012."

We have searched our records and we do not have any "cost approval documents" for our Falcon UAV system.

Additionally, in reference to your most recent request, also dated November 19th, 2012, we are working on the response and gathering the responsive documents. I am hopeful we will have them to mail to you the week of December 10th.

Respectfully,

Sgt. Art Smith #2213
